

Use these cheques today!

Here's how:

1. **Wipe out higher rate credit card balances** – Just use these convenience cheques to pay off any credit cards that are charging you higher interest.
2. **Pay off personal loans and other bills** – You can take charge of your car insurance, phone bills, even tuition. These convenience cheques work just like any personal cheque.
3. **Make a major purchase** – Buy a flat screen TV, replace an old appliance, or even take a vacation.

¹ This offer is being provided by Canadian Tire Bank.

* CONDITIONS

1.0% of the amount transferred will be charged for every transaction by way of a convenience cheque or other form of balance transfer that we process. The fee will be charged to your account on the same day that the cheque or other balance transfer transaction is posted to your account. For example on a transfer of \$300, the fee would be \$3.00.

Convenience cheques ("Cheques") must be used by the offer expiry date indicated on the front of this letter and must be posted to your account no more than 15 days later. In order to obtain the special rate on the front of the letter, on any transfer, your Canadian Tire branded credit card account must be in good standing at the time the Cheque is posted to the account.

Once a Cheque has been posted to your account, interest on the amount being transferred or amount of the convenience cheque, will be charged at the special rate indicated on the front of the letter, per annum from the transaction date of that Cheque or fee until the statement date indicated on the front of the letter. Following the statement date indicated on the front of the letter, your then applicable regular annual rate for your credit card account in question will apply. The applicable regular annual rate is subject to change upon notice provided in accordance with applicable law.

Cheques will be treated in all respects as cash transactions. See your Cardmember Agreement for details regarding interest calculation and how we apply payments.

You can transfer balances or write Cheques up to a combined total equal to the amount of credit you have available. We can only process Cheques in their full amount. If you have used more than one Cheque, we will accept as many of the Cheques in their full amount as possible up to your available credit limit. If payment of a Cheque will exceed your credit limit, the Cheque will be declined. Stop payments are not allowed on balance transfers or Cheques. Cheques/balance transfer offers may not be used to pay off or pay down any Canadian Tire branded lending products and services, e.g., credit card, personal loan and line of credit. This offer may not be used in conjunction with any other offers from Canadian Tire. Please continue to make minimum payments to your other creditors until your statements reflect the transfers. For Canadian Tire Options[®] MasterCard[®] and Canadian Tire Options[®] Visa[®] Cardmembers, Canadian Tire 'Money' On The Card[®] awards are not awarded on cash transactions. For Gas Advantage[®] MasterCard[®] Cardmembers, cash transactions are not considered purchases for the purpose of calculating the gas discount. For Cash Advantage[®] MasterCard[®] Cardmembers, cash transactions are not considered purchases for the purpose of calculating cash back rewards.
